Greetings,

On behalf of Stephanie Schultz, CEO and Owner of Silversärk, you are cordially invited to participate as a sponsor for an exciting new independently operated event scheduled for Friday, November 1, 2024! A former artist of the prestigious Pfister Hotel Artist-in-Residence Program will be showing her new collection as part of a large-scale event this November. The Pfister Hotel in Milwaukee, WI, has hosted its Artist-in-Residence program since 2009, helping artists flourish and connect with the community. With a working studio and art gallery on site, visitors are able to see the evolution of each artist's pieces as they come to life. During her tenure, Schultz printed textiles using photos she shot within the hotel to create low-price-point items for sale, such as neckties and shawls. She also created a complete 33-piece collection/12 full ensembles/12 full ensembles inspired by the hotel's vast collection of Victorian paintings. Her residency culminated in a themed fashion show displaying her years' worth of work. She also organized and hosted a Victorian Masquerade Ball in October 2018 celebrating the hotel's 125th anniversary. This event was attended by over 200 guests, many of whom have asked for another event.

Silversärk has been providing high quality historically inspired bespoke fashions in the Midwest since 2005. Having garnered accolades for striking textiles, quality craftsmanship and a unique fashion perspective, Silversärk garments have been included in exhibits at Museum of Wisconsin Art, the Oshkosh Public Museum, the Beulah Brinton House, and the Racine Art Museum. Silversärk has also been featured on PBS The Arts Page, Wisconsin Life/Wisconsin Public Television, The Morning Blend, The Real Milwaukee, and Fox 6 Wake Up!, with over 40 publications including Milwaukee Magazine, Giuseppina, Miroir, and Dark Beauty.

Schultz will be presenting her collection "Revenants" in her first solo fashion show since the end of her Pfister residency, on November 1, 2024, at The Cooperage, 822 S. Water St., 53204. "Revenants" will be a premier black-tie affair focused on gathering like minds to enjoy an evening of live entertainment and fashion, celebrating an exploration of mythos spanning a variety of cultures and eras. Emphasizing local talent of varying disciplines, it will be an immersive experience unlike anything Milwaukee has seen before. World-renowned and prize-winning bayan and accordion player Stas Venglevski and local string quartet Strings for All will perform themed music in the first portion of the evening, with a special fashion showcase by owner-operator of Silversärk, Stephanie Schultz. Chicago-based performance artist Red Rum will perform two bespoke pieces, with a "best dressed" contest just before midnight. A "Midnight Howl" will be led by Milwaukee's foremost horror drag collective COVEN, followed by a performance. Throughout the evening, guests will have the opportunity to shoot photos with custom backdrops as well as with a very special vampire guest. Themed visuals and auditory excellence will be provided by award-winning local collective Subspace.

Previous independent shows have drawn audiences from Chicago, Minneapolis, and the greater Milwaukee area, including members of businesses in Milwaukee's fashion industry, local media, bloggers, and fashion-minded consumers. With her most recent masquerade during her artist residency being a rousing success, time spent since then has been focused on building brand recognition to make this upcoming show a highly anticipated event.
